Cσnductivity Website — §11 Marketing, Content and Thought Leadership

Checklist · 22 October 2026 · Page: Insights (localhost:3000/insights) · Sections built 22 Oct

11.1 Four editorial themes

	Item	Where it is
✓	Theme A — Talent Demand Intelligence: audience and 7 planned topics	"Four themes we write about" (blue card)
✓	Theme B — Career & Talent Readiness: audience and 7 planned topics	Same section (red card)
✓	Theme C — Future of Work & Talent: audience and 6 planned topics	Same section (dark card)
✓	Theme D — The Talent Pipeline in Practice: audience and 6 planned topics	Same section (red-to-blue card)

11.2 Content formats

	Item	Where it is
✓	All 11 formats listed (articles, briefs, career guides, employer guides, case studies, downloads, videos, event pages, success stories, testimonials, newsletter archives)	"Formats" box under the themes
✓	Original insights and practical evidence before generic articles	Note in the "Formats" box

11.3 Conversion-oriented content

	Item	Where it is
✓	"Why Recruitment Is Not a Talent Strategy" (employers) → Request a Talent Pipeline Diagnostic	"Start here"
✓	"Are You Ready for Your First Professional Role?" (graduates) → Explore Career Readiness	"Start here"
✓	"Building Pakistani Talent for Global Clients" (international employers) → Discuss Global Talent Requirements	"Start here"
✓	Awareness → education → trust → inquiry: articles link to next steps; newsletter on Home; related topics on each Employer and Talent sub-page	Insights · Home · sub-pages

Open item for the marketing team: the topics and "Start here" pieces are planned titles marked "Coming soon". They need writing and publishing; the six current articles are samples to replace.
